

BALI 2013

East Asia: Geology, Exploration Technologies and Mines

Mon 27th to Wed 29th May 2013

Sanur Paradise Plaza Hotel
Jalan Hang Tuah 46
Sanur, Bali, Indonesia

Geoscientists Symposia (GS) and the Australian Institute of Geoscientists (AIG) continue their established partnership to present this Symposium and related activities. The meeting format follows the successful formula used by GS and AIG in Perth. There will be social and network functions, short courses and field trips, and the major theme is "up-skilling".

The symposium is partnered and sponsored with the MEMR (Minister of Energy and Mineral Resources, Indonesia), the Geological Survey of Indonesia and the IAGI (Indonesian Association of Geologists), MGEI (Indonesian Society of Economic Geologists), the Society of Economic Geologists (SEG Colorado, USA) and AusIMM (Australasian Institute of Mining and Metallurgy Melbourne, Australia).

AusIMM
THE MINERALS INSTITUTE

MEMR

Geological Survey Indonesia

Invite to Open Meeting:

- An Indonesian Government Minister is being invited

Keynote Speakers:

- **Steve Garwin** (confirmed)
- **Andrew Mitchell** (confirmed)
- **Doug Kirwin** (confirmed)
- **Mick Elias** (confirmed)

Contributed and invited talks in sessions on the following topics:

Monday 27th	Geology and mineral exploration East Asia: from Russia to PNG
Tuesday 28th	New Mineral Exploration Technologies: from target generation to resource conversion
Wednesday 29th	Mines

Planned Short Courses:

Saturday 25th	CSA Global and AIG: JORC/NI43-101 workshop
Sunday 26th	S. Garwin and N. White: Epithermal and Carlin Style Gold Deposits: New Developments and Exploration workshop
Thursday 30th and Friday 31st	ioGlobal: Exploration Geochemistry
Thursday 30th and Friday 31st	SJS Resource Management: Structural Geology and Resources

BALI 2013 East Asia: Geology, Exploration Technologies and Mines

Call for Papers

- Expressions of interest by 15 November 2012 (or before) to julian@sjsresource.com.au
- Abstract deadline 1 February 2013
Max. 1000 words, 1 illustration.
Submit Word file to jaytee@iinet.net.au

Language

- All oral presentations and their abstracts in English
- Posters and abstracts for posters may be in a language other than English

Currency

The currency for this symposia is Australian Dollars (A\$). Prices are quoted in A\$. We can make arrangements for payment in other currencies.

Other Events

- There will be an accompanying persons programme.
- Charter airplane visiting important mines and geology in Indonesia. Details TBA. Probably four/five days prior to symposium.

Organising Committee

Julian Vearncombe

(SJS Resource Management, Perth)

Jocelyn Thomson (AIG and GS, Perth)

Bill Hewitt (PT PZC Services, Jakarta)

Sandy Moyle (Goldminex Resources, Melbourne and Port Moresby)

Priyo Pribadi Soemarno

(PT Samindo Resources Tbk, Jakarta)

Wayne Spilsbury

(AIG and Geoduck, Perth)

Peter Elliott (AusIMM, Perth)

Provisional Commercial Sponsors

Geoservices PT

Intertek Genalysis (Jakarta)

CSA Global (Perth and Jakarta)

SJS Resource Management (Perth)

Our Symposia typically attract more than 200 delegates from home and overseas. For this event we are expecting 150 to 300 delegates with many from overseas. Delegates vary from junior mine and exploration staff, to consultants, to managers and directors. This is your opportunity to show-case your business to a focused cashed-up team of industry professionals.

Sponsorship Details

- Logo on promotional materials
- Logo prominently located on the Symposium abstract volume (digital distribution)
- Sponsors name displayed prominently during the Symposium, short courses and (where appropriate) field trips
- Sponsors with appropriate publicity for a chosen event (dinner, cocktail party, lunch etc)
- Trade booth
- Three registrations for Symposium (does not include courses or field trips)

Sponsorship A\$7,500 plus GST including 3 registrations and software demonstration slot.

Trade Exhibitor Details

- Mention on Symposium promotional materials
- Logo in the Symposium abstract volume (digital distribution)
- Trade booth located in the tea-coffee-lunch area for three days
- Two registrations for Symposium (does not include courses or field trips)

Trade exhibitors A\$5,500 plus GST including 2 registrations.

Details should be discussed with Julian Vearncombe and packaged to reflect the needs of your company.
